Sir,

*****

With reference to the above subject, I wish to bring to your kind notice that certain BE & B.Arch students have opted for BE & B.Arch seats in the KEA counseling held in the months of July & August 2013. It is now been seen that KEA has permitted every student, be they engineering seat in CET 2013 counselling to Participate in the latest round of counseling. The same such students have now been allotted seats in ISMH/Veterinary Courses. The original marks card of these students is at Vishweshwaraiah Technological University, as they have all submitted their original documents to the university for admission approval in respect of their Engineering admissions(BE/B.Arch).

In order to facilitate admission to ISMH/Veterinary sciences it is necessary that their original certificates have to be handed over to these students. How ever it may be noted that the Government has already issued instructions that, none of the KEA allotted seats which are left un-filled due to any reason, shall not be filled by the college management and university shall not approve, if the college authorities violate the instructions and fill up the seats unlawfully.

Under the above mentioned circumstances you are kindly requested to return the original documents of such of the BE/B.Arch students who have opted for counseling conducted for filling up the seats in latest round of counseling conducted by KEA for ISMH/Veterinary Sciences.
