About Convention

Indian Technical higher education system has tremendous pressure to create socially responsible skilled technical manpower. A large number of engineers that graduate from Indian Technical Universities fail to meet current industry requirements leading to an employability crisis. The universities and technical institutions need to rethink conventional teaching practices and bring in technology enabled and research oriented teaching methods to open up new horizons for the student community. The ISTE - 48th National Annual Faculty Convention - 2019 at VTU Belagavi provides a platform for educationists, policy makers and other stake holders to discuss and deliberate views on the theme "Technical Education for Smart Society". Prospective Authors are invited to submit the original papers that are not submitted to any conference / journal as per the template specified, not exceeding 8 pages (in doc and pdf format) on the themes. Paper submission is to be done online at www.iste19.vtu.ac.in

Registration of at least one author is compulsory for paper presentation

Indian Society For Technical Education

The Indian Society for Technical Education (ISTE) is a non-profit making Society registered under the Societies Registration Act of 1860. It was initially founded in 1941 as the Association of Principals of Technical Institutions (APTI) and later transformed as ISTE in 1968 with a view to enlarging its activities to advance the cause of technical education. The key objective of the ISTE is to assist and contribute to the education and development of top quality professional engineers needed by industry and other organizations. Being the only national body of educators in the field of Engineering and Technology, ISTE endeavours to effectively contribute to various mission of the Government. It is well associated with the Ministry of HRD, AICTE/DST/MIT/State Governments etc., for the programmes related to Technical Education..

Visvesvaraya Technological University

Visvesvaraya Technological University (VTU) is one of the largest Technological Universities in India with 16 years of Tradition of excellence in Engineering & Technical Education, Research and Innovations. It came into existence in the year 1998 to cater the needs of Indian industries for trained technical manpower with practical experience and sound theoretical knowledge. University has very successfully achieved the tremendous task of bringing various colleges affiliated earlier to different

Universities, with different syllabi, different procedures and traditions under one umbrella. The university having 17 constituent colleges, 1 constituent college and 17 Autonomous colleges offering undergraduate courses in 35 disciplines, PG program in 94 disciplines, Ph.D & M.sc (Engg.) with research programs in 592 departments. Over 10 lakhs Engineering Students study in the various institutes affiliated to VTU. Visit <http://vtu.ac.in>

Technical Education Quality Improvement Programme (TEQIP)

The Technical Education Quality Improvement Programme (TEQIP) is a support to strengthen few affiliated technical institutions and help them to improve their policy, academic and management practices. The programme under TEQIP help to Build Capacity and Enhance the Performance of institutions. VTU is conducting various activities under TEQIP to improve quality of education in affiliated colleges. Various programme's such as faculty enrichment programme, workshops, seminars, conferences, training programme's etc. are being conducted. help mentee university partners namely Aryabhata University, Patna and Biju Patnaik, University of Technology, Odisha in enhancing technical education in universities.

About Belagavi

Belagavi lies in the northern part of Karnataka in India and is called Belagavi. Lying in the foothills of Western Ghats, it is known for its scenic beauty and enjoys a cool and pleasant climate throughout the year. Surrounded by lush green forests, mountains, Belagavi is breathtakingly beautiful and attracts tourists from all over the country and far off places. It is the administrative headquarters of the eponymous Belagavi division and Belagavi District. The languages spoken here are Kannada and Marathi. Belagavi was selected in first phase out of 20 cities, as one of the hundred smart cities to be developed as a smart city under Smart Cities Mission. His temples, mosques, and churches are seen around and with which makes it quite popular among tourists. Chikka Basavanna Temple lying in ruins is a magnificent piece of Jain architecture. K. Siddeshwar temple, Hunshevari, Yellur Gad and K. Siddeshwar temple are some of the important places to be seen. If you are a lover of nature some of the spots you are not to miss in Belagavi are Jamboti- evergreen forest, Gokak Falls, Godchinamalaki, Vajrapoha Falls
