Subject: Internship for UG Degree/Diploma students of AICTE Approved Technical Institutions at District Magistrates offices.

Dear Chief Secretary,

All India Council for Technical Education (AICTE) under MHRD in its bid to align and propel Indian technical education towards the global standards has come up with new internship policy that mandates internship as part of UG engineering courses. The main aim of this initiative is to ensure hands-on exposure to graduating students on the industry trends and enhance their employability. It is also felt that internship experience with government organizations can be equally beneficial and enriching to the students especially in understanding the planning and implementation of various initiatives of state and central governments.

In this context, a letter has been sent to all District Magistrates in the country with a request to select five students from AICTE Approved Technical Institutions falling under their District to work as "AICTE Intern" under their guidance (Copy enclosed). The DMs may allow internship in various ongoing government schemes in their districts, wherein student's technical knowledge can be used. These students will also be supervised by a faculty of their respective institutions.

AICTE approved institutions are posting details of five selected students from their institutions at www.internship.aicte-india.org/districtinternships.aspx. The DMs can choose students as Intern by registering at the above link.

Through this letter, it is requested that all the DMs in your state may be advised to register in this novel initiative of AICTE, that can help in reaping the demographic dividend our country is privileged to.

In case of any query, Dr. Neetu Bhagat, DD, Policy and Academic Planning Bureau, AICTE at ddpappb@aicte-india.org can be contacted.

With regards,

Yours sincerely

(R Subrahmanyam)

Dear Sir/ Madam,

All India Council for Technical Education (AICTE) is the statutory body and a national council under Department of Higher Education, Ministry of Human Resource Development. AICTE is responsible for proper planning and coordinated development of the technical education system in India.

With a view to align Indian technical education with global standards and ensure hands-on exposure to its students, AICTE has come up with new internship policy that mandates internship as integrated part of curriculum for technical institutions across India. The main aim of this initiative is to enhance employability of the graduating students and it is felt that internship experience with government organisations will also be useful to students, especially in understanding the planning and implementation of various initiatives of state and central governments.

Towards this, it is proposed to place 5 selected students from AICTE approved Technical Institutions of your district to work under your guidance in your esteemed office. You are requested to involve these students in various ongoing government schemes in your district, where their technical knowledge can be used. These students will be supervised by a faculty of their respective institution.

In order to operationalise this, please register at www.internship.aicte-india.org/districtinternships.aspx for accessing the applications of the willing students and creating requirements of interns in your office. We request you to kindly nominate one coordinator from your office for further communications. A letter has been sent to Principals/Directors of colleges in your vicinity to engage with you in this connection.

In case of any query please contact Dr. Neetu Bhagat, DD, Policy and Academic Planning at ddpapb@aicte-india.org.

Yours sincerely

Prof. M.P. Poonia

To,

The all the District Magistrates of India
