Before parting with the matter, we would like to make a observation that the responsibility for unauthorized excess drawal, not in tune with the provisions of the GO is Normally that of concerned drawing officer and the controlling officer. However, in this case, all the applicants are senior Group-A Officers and their pay and allowances can be drawn by the concerned drawing officer based on the authorization issued by the Accountant General (A&E), Karnataka only. The Accountant General is expected to check and ensure that authorizations are issued as per GO concerned. In this case,
Unauthorized drawal is seen to have taken place across the state. More over, in spite of express instruction in the GO dated 07.03.2011 regarding payment of arrears only after separate orders, arrears also appear to have been drawn in many places without any further sanction or seeking any budgetary support.

As per the instruction of the DG, the following steps are taken:

1. Issue a separate order for arrears payment. 

Order: 16-10-2014

1. Issue a separate order for arrears payment.
