About us..

S J (Govt.) Polytechnic, Bangalore

Sri Jayachamarajendra (Govt.) Polytechnic, Bangalore is a premier technical institute started by the great visionary and statesman Sir M Visvesvaraya for providing value based technical education. It is situated on a sprawling campus of 14 acres and is the largest polytechnic in South East Asia. Sri Jayachamarajendra (Govt) Polytechnic offers 14 courses in various conventional and diversified areas of technology.

Department of Computer Science & Engg.

Computer Science department at S J Polytechnic, was established in 1985, has been at the forefront of diploma education in Karnataka. It is one of the best branches widely accepted by the industry. The Department is equipped with modern infrastructure, well experienced and qualified faculty.

Most of our students enter top engineering colleges through DCET. This also being a career oriented programme, students are well placed in IT sector. Along with academics, co-curricular activity is equally encouraged in the department and has given our students a strong foundation to face the world of challenges.

Department Vision

"To be at the forefront in Computer Science education, relevant to the needs of industry and society."

WHAT IS TEKBIZ?

It is that time of the year again!! Come showcase your talent and win great prizes at Tekbiz – State level Inter college Computer fest at S J (Govt.) Polytechnic, Bangalore. We have some great events organized this year as well to exhibit your technical talents and skills. This fest provides Computer Science diploma students a common platform to acquire and share knowledge.

GENERAL INSTRUCTIONS

- ✓ Computer Science diploma students from all Polytechnics under DTE, Karnataka can participate to showcase their technical skills & exhibit their talents.
