ABOUT THE SEMINAR

Mahatma Gandhiji and his messages are a timeless contribution to humanity. He emphasised on simplicity, kindness, truth and nonviolence as his life's mantra. United Nation Organization, UNO has declared Gandhi Jayanti as International Day of Non-Violence. Mahatma Gandhi realised the power and potentiality of youth and called them as instrument of social change. At present, the youth are at a crossroads; they are deviating from basic human value. The need of the hour is to guide them and encourage them to shed the falsity and come face to face with Gandhian principles which are applicable universally. The whole world is setting the stage to celebrate 150th birth anniversary of Gandhiji. At this juncture, this seminar is a humble attempt, a tribute to the father of our nation to spread his values and principles by virtues of posters and paper presentation by youth from across the nation.
